A World History of Christianity

A World History of Christianity

Christianity is the most global of religions. However, most books on the subject fail to do justice to the history of Christianity outside Europe and North America. This prodigious work provides the first genuinely global one-volume study of the rise, development, and impact of the Christian faith.

Written by an international team of specialists, this comprehensive volume covers the full breadth of Christian history while also taking seriously the geographical diversity of the story: extensive chapters cover North America, Latin America, Europe, Africa, India, China and its neighbors, and Australia and the Pacific. Though unified in scope, these chapters each focus on what matters most in the specific time and place covered, ensuring that readers are introduced to the major themes—social, theological, political, and cultural—that together constitute Christianity's role in world history.

Ideally suited for classroom study as well as for independent reading, *A World History of Christianity* will serve as the definitive study of church history for the coming generation worldwide.

From reader reviews:

Clarence Anderson:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim or perhaps goal; it means that e-book has different type. Some people truly feel enjoy to spend their time for you to read a book. These are reading whatever they take because their hobby is reading a book. Think about the person who don't like reading a book? Sometime, particular person feel need book after they found difficult problem or even exercise. Well, probably you'll have this A World History of Christianity.

Patrice Reese:

Reading a e-book can be one of a lot of action that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new details. When you read a guide you will get new information due to the fact book is one of a number of ways to share the information or perhaps their idea. Second, studying a book will make you actually more imaginative. When you studying a book especially fiction book the author will bring you to definitely imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other folks. When you read this A World History of Christianity, you could tells your family, friends in addition to soon about yours guide. Your knowledge can inspire others, make them reading a e-book.

Jerry Ingle:

The book with title A World History of Christianity includes a lot of information that you can learn it. You can get a lot of profit after read this book. That book exist new understanding the information that exist in this reserve represented the condition of the world today. That is important to yo7u to be aware of how the improvement of the world. That book will bring you within new era of the the positive effect. You can read the e-book on your own smart phone, so you can read the idea anywhere you want.

Leroy Barker:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this A World History of Christianity can make you truly feel more interested to read.
