With a unique combination of **targeted online lectures**, **vast online image collections**, and an **easy-to-follow supporting atlas**, Dr. Elston's highly acclaimed "**dermatopathology made easier**" approach presents a unique way to master the foundations of this complex dermatology sub-specialty, guiding you through the diagnosis of the most important and common dermatologic pathology findings seen in practice.

- Effortlessly find all the information you need to **know about each topic** thanks to a highly user-friendly full-color format and a consistent chapter template.
- **Recognize the presentation of most major dermatopathology lesions** through abundant high-resolution histopathology examples, with labels and pointers highlighting key aspects of each slide and providing additional clarity.
- **Access the full text and more online at expertconsult.com**, including 26 virtual lectures by Dr. Elston, clinical and dermatopathology image atlases, and a virtual slide library.
- **Easily focus on the most important "takeaways" and "must-knows"** for each topic through the use of color key points, differential diagnosis, and pearls.
- **Learn directly from the experts themselves** by "attending" lectures online in a virtual lecture room.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should online access to the web site be discontinued.
