His Bun In the Oven Vol. 2: 3 in 1 Collection Ava J. Smith

This is a compilation of previously published titles: Raw All the Way, Her Husband's Aide, and The Doctor's Special Injection.

The tales of three women who desperately needed something they couldn't get unless they deal with the men in their lives they would rather not deal with...

In her early thirties, Mia felt she had finally had all her ducks in a row. A house of her own, a good job and the financial security she needed to get what she had been dreaming to have. Finley, younger and much too attractive for his own good, was out of the left field. She couldn't afford getting involved with the son of her colleagues, not to mention risking the dream of her lifetime. It was just her luck that Finley knew exactly where her weakness was...

Thinking that no marriage was perfect, Nadine withstood Don's barbs, dismissive attitudes and complete inattention. But when he gave no zero thought to what Nadine really wanted, Don didn't realize he was opening up a window into which his young, smooth aide slipped in to offer Nadine what her husband was lacking...

Joanne Rivers was running out of options. What she really, really wanted was deemed inconceivable. Even handsome Doctor Craig was not too optimistic, even though he tried his hardest. Someone in his position risked more than just a reputation if misconduct were suspected. Surely he wouldn't cross the line to help his patient, surely he wouldn't give Joanne what she wanted the old fashioned way...

Margaret Babin:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
