Slaves Of The Pentacle - Part 3 Simon Grail

Lyn Caxton and her daughter Pippa have become the unwilling agents of the powerful alchemist and thaumaturgist Viktor Wolff in a quest to free him from his enforced exile in this world. Lyn together with Wolff's devoted slave Dawn have been sent through to Wolff's strange parallel home world where women serve as naked slaves, inferior even to golem servants, and where their minds and bodies can be moulded to suit their masters' desires. However Lyn's mission to track down five stolen pentacle girls is interrupted by a rogue golem servant who takes her and Dawn prisoner. Meanwhile Pippa must endure being intimately and painfully ringed by Wolff for his amusement.

This is the third in the series of adventures of Lyn and Pippa as they struggle to survive humiliation and torment both here and in the slave world of Albion Magna.
