**The Indian Clerk: A Novel** David Leavitt

**"Richly imagined [and] impressive" (*New York Times Book Review*), this critically acclaimed and emotionally charged novel about the strange and ultimately tragic relationship between an esteemed British mathematician and an unknown?and unschooled?mathematical genius is historical fiction at its best: ambitious, profound, and absorbing.**

Based on the remarkable true story of G. H. Hardy and Srinivasa Ramanujan, and populated with such luminaries such as D. H. Lawrence, Bertrand Russell, and Ludwig Wittgenstein, *The Indian Clerk* takes this extraordinary slice of history and transforms it into an emotional and spellbinding story about the fragility of human connection and our need to find order in the world. A literary masterpiece, it appeared on four bestseller lists, including the *Los Angeles Times*, and received dazzling reviews from every major publication in the country.
