## Unexpected Strength

**Everyone has their own obstacle to overcome, their own wall to climb, to break down.**

*Unexpected Strength* is a glimpse inside the lives of twelve students from Two Rivers High School. It features true and emotionally raw stories about their struggles with abuse, addiction, anxiety, sexual identity and abandonment, and about finding the strength deep within themselves to persevere and move forward with their lives.

Through the writing and sharing process, they've discovered that they are not alone. They've learned that we all fight our own unseen battles, all struggle with something hard. But that inside every one of us is...Unexpected Strength.
