Where I Want to Be: A Wine Country Novel Cortney Roudebush

Craving a change of scenery, Olivia Goldstein and her best friend fly north for a weekend of wine tasting in Napa Valley. Within two days, Olivia is seduced by the beautiful landscape, the fabulous restaurants, the amazing wines—and one particularly attractive male tour guide.

When she returns home to Los Angeles, introverted Olivia can't stop thinking about him and what it would be like to live in Napa Valley. The one-lane highway, smog-free air, and friendly locals are enough encouragement for her to enroll in a three-month wine education program. Putting her lackluster job in LA on hold, she relocates to Wine Country for the summer.

Early in her wine-soaked journey, Olivia becomes friends with three dynamic, young women (one of whom is the girlfriend of the cute tour guide). With the help of these wine-savvy ladies, Olivia gets schooled on more than just the wine industry. Stepping out of her comfort zone, she tags along to parties, learns how to play bocce ball, and even experiments with online dating. After a few heinous dates, she has a new appreciation for being single.

Olivia drinks in the many wonderful facets of life in a small town and embraces the culture. As the grapes in the vineyards ripen, her friendships evolve, bolstering her confidence and self-esteem. Finally, she has the strength to take the necessary steps towards a new career.

While falling in love with Wine Country, Olivia teaches herself how to be happy. By the time Harvest arrives, she's not ready to leave...
