Dangerous Proximity (Bad Judgment Book 1) Leigh James

Sexiness. Excitement. Danger. These are not the things I want. I want structure. Deadlines. Order. That's why I became a lawyer in the first place -- and also to put as much distance between myself and the poverty line as I could manage.

Then billionaire-CEO Broden Walker comes to my firm and I'm chosen to defend him against complex Federal charges. Walker is sexy. Exciting. And maybe a little dangerous.

If he's the opposite of what I want, why the hell am I so hot for him?

Lucky for Walker, I'm always on the right side of the law. Until he starts trying to charm the pants off me... suspicious people start following us... and innocent people start dying everywhere we turn. When what's wrong seems right, and the people you trust betray you, where do you turn?

Walker and I are about to find out.
