The Information in Warfare Working Group (I2WG) of the U.S. Army War College (USAWC) is pleased to present this anthology of selected student work from Academic Year 2010 representing examples of well-written and in-depth analyses on the vital subject of Information as Power. This is the fifth volume of an effort that began in 2006. The I2WG charter calls for it to coordinate and recommend the design, development and integration of content and courses related to the information element of power into the curriculum to prepare students for senior leadership positions. This publication is an important component of that effort.
