Old Testament Prophets for Today Carolyn J. Sharp

The prophets of the Old Testament include such well-known characters as Isaiah, Jeremiah, Amos, and Hosea. There are, however, many other prophets, both in the biblical books that bear their names and in the other histories and stories of ancient Israel. Carolyn Sharp offers a brief introduction to each of the Bible's prophets and their prophetic books, developing the theological themes present in each with an eye toward how the prophetic message is relevant today.

The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past, but also on their value in the present--"for today." Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use.
