Sketches from a Life George F. Kennan

Written originally as a series of entries in a travel diary and now considered one of the most important memoirs of our time, *Sketches from a Life* is George F. Kennan's peerless, impressionistic record of his experiences with twentieth-century history.

Beginning with his first foreign service post in 1927 and ending seven decades later, Kennan's account is rich with the insight of a major historical participant. Whether relating the perils of Hitler's Germany or revisiting Kennan's days as ambassador to the Soviet Union, *Sketches from a Life* is as riveting as great literature, and one of the most invaluable documents of our time.
