The Dark Storm (A Dark Storm Novel) Kris Greene

Gabriel is a New York City college kid who loves to bury his nose in books, looking up stories of long-dead cultures, lost languages, and forgotten legends. He never imagined one of those legends would come looking for *him*—until a tough-talking girl named De Mona Sanchez thrusts an ancient weapon into his hands...and recruits Gabriel in a dark epic war he was born to fight.

Banished centuries ago by warrior knights, a demonic army is storming through a dimensional rift into our world. Stalkers are prowling the streets. Corpses are rising up to fight. And Gabriel—a descendant of one of the original warriors—has no choice but to drop his textbooks and start kicking demon butt alongside his new friend De Mona...who has a few secrets of her own. If Gabriel fails, humanity loses. If war is hell, *this is hell on earth...*
