Whoppers: History's Most Outrageous Lies and Liars Christine Seifert

History of full of liars. Not just little-white-telling liars, but big-honkin', whopper-telling liars—people who can convince us that even the most improbable, outrageous, nonsensical stories are true. And the worst part is that we believe them. *Whoppers* tells the story of history's greatest liars and the lies they told, providing a mix of narrative profiles of super-famous liars, lies, and/or hoaxes, as well as more obscure episodes.
