A Christmas Kerril Denise Jaden

In this modern take on a holiday classic, high school junior, Kerril, faces her past, present, and future to be reminded of the good in others, and in herself. Haunted by the memory of the worst of her divorced parents' public Christmas blowouts, Kerril, will do almost anything to avoid the upcoming tinsel-filled season. Unfortunately, a teacher with a grudge casts Kerril as the lead in the school's holiday production. To add to the misery, she will star alongside ultra-awkward Adam as her love interest. Wanting to ditch the play, Adam, her parents, and Christmas altogether, Kerril accepts an invitation to take off to a cabin with her ultimate dream crush, Perry – only Perry may not be the guy she hoped he was, and it's not until she's left Adam behind to fend for himself onstage that she realizes he might just be the guy of her dreams.
