1. Sarah Made Simple

Sarah had always been a straight A student. She sacrificed sleep, food, and boyfriends for perfect grades. Now in her final semester of college and getting ready for graduate school, she cracks under the pressure of it all. Taken under the wing of Professor James, Sarah is sent to speak with the school therapist about her anxiety issues.

Dr. Theodore immediately prescribes her a special bottle of unlabeled pills that have yet to make it to the school pharmacy. He assures her that these pills will make meltdowns a thing of the past for her. Eager to refocus on her studies, Sarah dutifully takes her medication. But soon she notices some side effects.

Her breasts are huge, her hips more ample, and she can't stop thinking about sex. Her books and homework fall to the wayside as she finds herself consumed with a passion for physical stimulation from anyone willing to give it to her.

With graduation so close, will Sarah be able to rein in her newfound desires? Or will she soon get lost in the haze of physical pleasures?

2. Nurse Tony's Transformation

Tony, a male nurse, has always been an anxious person. Shy, awkward, and introverted, Tony has never been the belle of the ball. Heck, he's never even been invited to the ball!

But today is his lucky day. A new anti-anxiety medication has come into their clinic today and Dr. Edwards is happy to prescribe him some of this new and cutting edge medication.

When Tony goes home after taking his first dose, he feels sick and woozy. Groaning, he goes to bed hoping to sleep off the side effects.

But when he wakes up, Tony realizes he has begun a whole new life.

Is he ready to accept the consequences of living a stress-free life? Or is the price just too high to pay?

3. Jimmy's First Skirt

Derrick has had it out for Jimmy ever since they both started college. Derrick, the popular and smart soccer playing athlete was the king around campus and liked for everyone to know it. Always the A student, he enjoyed excelling in every class.

Except he wasn't excelling in every class now. Thanks to the quiet and shy Jimmy, Derrick was coming in second in every class. This was something that he could not sit quietly with.

When they both get sick with the flu, Derrick decides this is his time to not only even the playing field but to clear it out completely. Jimmy suddenly wakes up to find himself as Jenny, a busty, full figured girl with an unquenchable hunger for sex!

Unable to focus on anything but playing in the bedroom, can Jimmy/Jenny still ace his finals?
