#### **Denise Kerrigan:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Coldest Places on the Planet (Extreme Earth) can make you experience more interested to read.
