Inside the White House in War Times William O. Stoddard

BCR's Shelf2Life American Civil War Collection is a unique and exciting collection of pre-1923 titles focusing on the American Civil War and the people and events surrounding it. From memoirs and biographies of notable military figures to firsthand accounts of famous battles and in-depth discussions of slavery, this collection is a remarkable opportunity for scholars and historians to rediscover the experience and impact of the Civil War. The volumes contained in the collection were all written within 60 years of the end of the war, which means that most authors had living memory of it and were facing the effects of the war while writing. These firsthand accounts allow the modern reader to more fully understand the culture of both the Union and Confederacy, the politics that governed the escalation and end of the war, the personal experience of life during the Civil War, and the most difficult and polarizing question in the history of the United States: slavery. The American Civil War Collection allows new readers access to the contemporary arguments and accounts surrounding the war, and is a vital new tool in understanding this important and pivotal chapter in American history.

From reader reviews:

Jacquelyn Lopez:

Book is actually written, printed, or descriptive for everything. You can understand everything you want by a publication. Book has a different type. To be sure that book is important matter to bring us around the world. Next to that you can your reading expertise was fluently. A guide Inside the White House in War Times will make you to possibly be smarter. You can feel much more confidence if you can know about everything. But some of you think this open or reading the book make you bored. It is far from make you fun. Why they can be thought like that? Have you in search of best book or appropriate book with you?

Sheila Foxworth:

Reading can called thoughts hangout, why? Because while you are reading a book mainly book entitled Inside the White House in War Times your brain will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely can become your mind friends. Imaging each and every word written in a guide then become one type conclusion and explanation in which maybe you never get before. The Inside the White House in War Times giving you an additional experience more than blown away your mind but also giving you useful data for your better life on this era. So now let us demonstrate the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

Alyssa Lewis:

Are you kind of hectic person, only have 10 or even 15 minute in your time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you have problem with the book when compared with can satisfy your small amount of time to read it because this all time you only find book that need more time to be examine. Inside the White House in War Times can be your answer as it can be read by anyone who have those short time problems.

Lillian Thornton:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Inside the White House in War Times can make you sense more interested to read.
