IT Best Practices for Financial Managers

Janice M. Roehl-Anderson

IT Best Practices for Financial Managers Janice M. Roehl-Anderson **Praise for IT Best Practices**

"The work of the financial manager revolves around a company's financial systems. Ms. Roehl-Anderson's latest offering addresses the two key aspects of these systems—how to buy and install them. The book covers every conceivable aspect of these systems, including ERP, software as a service, shared services, and supporting controls. As a bonus, the book contains substantial coverage of information technology considerations in an acquisition. This is a definitive desk reference." —**Steve Bragg, CFO, XeDAR Corporation, and author of Accounting Best Practices**

"Sage advice from one of the most adept project managers in the industry! Jan and team have delivered a practical, yet comprehensive guidebook for software selection, implementation, rollout, and ongoing updates. This guidebook will become a valuable reference for every financial manager and IT project manager undertaking ERP implementation."—**Valerie Borthwick, former senior vice president, Oracle Consulting**

"Written by one of the best in the IT business, this book is a must-read for all CFOs and controllers. In one volume, it addresses everything a financial executive needs to know about IT and its impact on the financial function, while also featuring practical guidelines, current hot topics, and IT best practices. This book covers it all."—**Jo Marie Dancik, Regional Managing Partner (Retired), Ernst & Young**

From reader reviews:

Catherine Rubio:

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world could share their idea. Books can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this IT Best Practices for Financial Managers.

Richard Ault:

Spent a free time for you to be fun activity to do! A lot of people spent their free time with their family, or all their friends. Usually they carrying out activity like watching television, likely to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Could possibly be reading a book might be option to fill your free time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the guide untitled IT Best Practices for Financial Managers can be good book to read. May be it is usually best activity to you.

Linda Cooper:

Playing with family in a very park, coming to see the ocean world or hanging out with pals is thing that usually you will have done when you have spare time, and then why you don't try matter that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love IT Best Practices for Financial Managers, you are able to enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't obtain it, oh come on its called reading friends.

Matthew Russell:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your day to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are having problem with the book as compared to can satisfy your limited time to read it because this time you only find e-book that need more time to be read. IT Best Practices for Financial Managers can be your answer since it can be read by anyone who have those short time problems.
