I'm a big girl. Hell, I'm a

very big girl

. If you have a problem with my size, then you might want to move right along. This doesn't bother me you see; because my profession as a chef, a private chef, means that I can get away with it, and that I have access to some of the best food on the planet. And while I'm not to every man's taste, some men find my exaggerated curves attractive. On a trip to Monte Carlo recently, I actually found that I am more of a curiosity to most.

If you don't have a problem with straight talk and dirty hanky-panky, then you might enjoy this story. It is about how a billionaire developed a **-taste for my curves-**, making the time spent as his private chef on a yacht off the French coast very easy. He was hot-**panty-melting hot**-and if you don't mind a little foul language, and some raunchy s*x with a curvy, sarcastic girl, then you might really enjoy this story.

If this is not up your alley though, then you might want to give this one a skip. It gets **-hot-**, it gets **-wet-**, and it gets **-downright dirty-**!

Happy reading...oh, and ENJOY!
