The Aztecs

Michael E. Smith

The Aztecs Michael E. Smith

This book is a vivid and comprehensive account of the Aztecs, the best-known people of pre-Columbian America. It examines their origins, civilization, and the distinctive realms of Aztec religion, science, and thought. It describes the conquest of their empire by the Spanish, and the fate of their descendants to the present day in Central Mexico, making use of the results of the latest excavations, historical documentation, and the author's first-hand knowledge. There is also a fascinating and detailed account of the daily life of the Aztec people, including their economy, family life, class system, and food. This second edition updates the original text with new descriptions of major archaeological sites such as Malinalco and Tlatelolco and expanded coverage of codices, religion, and areas distant from the capital. Dozens of photographs and illustrations have been added for this edition, making this the most informative and up-to-date treatment of Aztec civilization.

From reader reviews:

Dorothy Pearce:

The book The Aztecs make you feel enjoy for your spare time. You need to use to make your capable far more increase. Book can to be your best friend when you getting pressure or having big problem with the subject. If you can make reading a book The Aztecs being your habit, you can get considerably more advantages, like add your own capable, increase your knowledge about a number of or all subjects. You are able to know everything if you like wide open and read a guide The Aztecs. Kinds of book are several. It means that, science reserve or encyclopedia or others. So , how do you think about this guide?

Elizabeth Brown:

The e-book untitled The Aztecs is the reserve that recommended to you you just read. You can see the quality of the guide content that will be shown to an individual. The language that publisher use to explained their way of doing something is easily to understand. The copy writer was did a lot of study when write the book, so the information that they share for your requirements is absolutely accurate. You also will get the e-book of The Aztecs from the publisher to make you far more enjoy free time.

Jennifer Pittman:

Why? Because this The Aztecs is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of gains than the other book possess such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Wilda Baeza:

That reserve can make you to feel relax. That book The Aztecs was bright colored and of course has pictures on the website. As we know that book The Aztecs has many kinds or style. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and relax. Try to choose the best book in your case and try to like reading that will.
