### 922 Decorative Vector Ornaments CD-ROM and Book (Dover Electronic Clip Art)

Inspired by ornamental vases of ancient Greece, ornate Byzantine mosaics, elaborate German wood carvings, elegant Roman borders of ivy and laurel, sacred and secular art, and scenes from mythology, this collection of royalty-free decorative art is a remarkable resource for artists. Featuring hundreds of versatile vector-based designs, the book includes borders, cartouches, scrolls, and other embellished spot illustrations. Unlike pixel-based digital images that often distort, vector graphics can be enlarged to any size without the loss of clarity or quality — so they're perfect for a variety of plus-sized projects!
