America 2020: The Survival Blueprint, Updated Edition Porter Stansberry

Synopsis The United States is destroying itself from the inside out. The Corruption of America is a kind of moral decay... a kind of greed... a kind of desperate grasp for power. And it's destroying our nation. These corruptions do not need to exist. If individual Americans take it upon themselves to become better citizens, act with rational self-interest, and reject the "ethos of getting yours"... we can correct these corruptions. That's why Stansberry Research founder Porter Stansberry published America 2020: The Survival Blueprint. Many are referring to it as the most valuable book in America. This is the new book everyone's trying to get their copy of.
