‘**Bridget Jones goes backpacking.**’ - Holly Martin, author of *Christmas at Lilac Cottage*

What if you had a second chance... to find yourself?

Instead of slipping on her something borrowed and tripping up the aisle to wedded bliss, Georgia spends her big day wondering where it all went wrong.

Forced to make a bucket list of her new life goals by best friend Marie, it's not long before travel-virgin Georgia's packing her bags for a long-haul trip to Thailand.

Yet, Georgia's big adventure doesn't seem to be going to plan. From strange sights, smells and falling for every rookie traveller scam in the book, Georgia has never felt more alone.

But the good thing about falling apart is that you can put yourself back together any way you please. And new Georgia might just be someone she can finally be proud of...
