#### **Juan Gilbert:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Lonely Planet London can make you really feel more interested to read.
