## **Miracle** Danielle Steel

It is New Year's Eve when the storm of the century hits northern California. In a quiet neighborhood in San Francisco, amid the chaos of fallen trees and damaged homes, the lives of three strangers are about to collide. For Quinn Thompson, what happens in the storm's wake will bring down a barrier he has built around himself since his wife's death. For neighbor Maggie Dartman, it will spark friendship at a time when she needs it most. And for Jack Adams, a carpenter who will repair Quinn's and Maggie's homes, the storm brings an opportunity: to help two people and to be repaid with the greatest gift of all.

As three lives come together and a unique friendship is forged, something extraordinary begins to happen...Maggie, still grieving a loss, slowly comes alive again—and Jack finally shares a painful secret he has hidden for years. But at the center of the friendship is Quinn. A man who has scaled heights of success in business, Quinn is now adrift, waiting as builders put the finishing touches on his newest passion, a 180-foot yacht he plans to sail around the world. Looking back at all he missed with his family while he built his empire, Quinn is consumed by guilt, focused only on escaping to the sea. But as his plans near completion, and his friendship with Maggie begins to change, Quinn faces a choice—between a safe haven and an adventure of the heart. The choice he makes will affect other lives as powerfully as his own. And it will take him on an extraordinary journey—and into a second, terrifying storm, one that will bring him danger...or deliverance.

Danielle Steel brings us miracles big and small—the kind we are blessed with and those we give to others. With a subtle hand and a flawless touch, she has written a novel that soars with hope, and makes us laugh, cry, and care.

### From reader reviews:

#### **Michael Coffman:**

Have you spare time for any day? What do you do when you have a lot more or little spare time? That's why, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a walk, shopping, or went to often the Mall. How about open or maybe read a book called Miracle? Maybe it is to be best activity for you. You realize beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with it has the opinion or you have additional opinion?

#### **Ruth Williams:**

Book is to be different for every grade. Book for children till adult are different content. As we know that book is very important for us. The book Miracle ended up being making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The publication Miracle is not only giving you much more new information but also to become your friend when you really feel bored. You can spend your own spend time to read your publication. Try to make relationship with the book Miracle. You never truly feel lose out for everything in the event you read some books.

#### **John Hayes:**

Information is provisions for those to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is within the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Miracle as your daily resource information.

#### **Ruth Vazquez:**

Reading a e-book tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only situation that share in the books. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Miracle.
