Kat is struggling to get her life back together and put her anorexia and suicide attempts behind her. She must expel the mysterious inner demons that have plagued her for years, and patch up the rocky relationship with her fiancé.

But when she arrives in London for a therapeutic art project, an encounter with an enigmatic woman named Destiny upsets her views of reality and plunges her into a quest for the truth about her past—an astonishing past that reaches back well before her birth.

After midnight, Destiny leads Kat to extravagant parties at an eerie luxury hotel and introduces her to a man who seems to know her better than she knows herself. Kat tries to convince herself this is all part of a strange dream. But as evidence mounts suggesting otherwise, Kat is torn between fascination and fear.

Will Kat run away, or will she seize the fleeting opportunity to change her life and find true love?

Alternating between the reality of day and the mystery of night, *Close to Destiny* by best selling author Adria J. Cimino is a magical realism story of déjà vu and righting past wrongs that will delight fans of authors like Sarah Addison Allen and Erin Morgenstern.

*If you like magical realism romance with mystical romance elements, this time travel love story, set in London and New York, is for you.*

## Interview with the Author

### Q. What was your inspiration to write *Close to Destiny*?

A. I used to stay at a beautiful, mysterious London hotel for business trips. The dim & elegant setting made me think of romance, clandestine parties, family secrets, midnight encounters, dreams. I wove these elements into this magical realism romance.

### Q. It seems as if it might fall into several genres?

A. It's contemporary literary fiction, yet includes magical realism and paranormal romance. Readers say it reminds them of the time travel romance *The Time Traveler's Wife* and novels by Sarah Addison Allen. I included mystical romance to transport the reader to another place... and to question our notions of reality. And in general, I aim to write fiction that is fast-paced, with surprising plot twists.

### Q. What message do you hope readers take with them?

A. The book deals with facing (or refusal to face) mistakes of the past, healing old wounds and starting over. And for any of us who has ever wondered, "Do I have a soulmate? Will I ever find my soulmate?" this story addresses that in a unique way. Another important theme is (big surprise) destiny. How much control do we have over our own destiny?

**Q. What are your favorite genres to read?**

A. I enjoy a wide variety, but my favorites are literary fiction & women's fiction with strong female protagonists.
