Book five in the Paranormal Public series.

Charlotte, Sip, and Lisabelle are shocked when they aren't allowed to return to Paranormal Public for their winter semester. Instead of rejoining their friends at Locke, they decide to break into Public and get some answers. Unfortunately, they just end up with more questions. In Charlotte's fourth semester she is torn between finding out what happened to her mother, protecting the artifacts on the Wheel that could destroy all the paranormals, and following her heart. To make matters worse, there are new threats and a new President of Public. Luckily the threats aren't directed toward Charlotte, at least not entirely, and Charlotte still has her loyal friends to keep her company and help her along the way. She will need all the help she can get to meet the challenges that come her way.
