Ethical Issues in Business: A Philosophical Approach (6th Edition) Thomas Donaldson, Patricia H. Werhane

This collection of readings and cases begins with an introduction to moral reasoning, and then provides a wide range of applications of ethical theory to real *contemporary* managerial situations. The book includes a section on international business; a revised section on the environment; and new sections on diversity and strategy. Each section contains a case study and relevant theoretical articles that range from classics in philosophy to modern commentaries by business practitioners.
