**The Folded Clock: A Diary** Heidi Julavits

**A *New York Times* Notable Book**

Rereading her childhood diaries, Heidi Julavits hoped to find incontrovertible proof that she was always destined to be a writer. Instead, they “revealed me to possess the mind of a phobic tax auditor.” Thus was born a desire to try again, to chronicle her daily life—now as a forty-something woman, wife, mother, and writer. A meditation on time and self, youth and aging, friendship and romance, faith and fate, and art and ambition, in *The Folded Clock* one of the most gifted prose stylists in American letters explodes the typically confessional diary form with her trademark humor, honesty, and searing intelligence.
