The Mummy

Anne Rice

The Mummy Anne Rice

Ramses the Great has reawakened in opulent Edwardian London. Having drunk the elixir of life, he is now Ramses the Damned, doomed forever to wander the earth, desperate to quell hungers that can never be satisfied. He becomes the close companion of a voluptuous heiress, Julie Stratford, but his cursed past again propels him toward disaster. He is tormented by searing memories of his last reawakening, at the behest of Cleopatra, his beloved queen of Egypt. And his intense longing for her, undiminished over the centuries, will force him to commit an act that will place everyone around him in the gravest danger...
