## BABY BATTLE

Safe Harbor surgeon Marshall Davis and staff psychologist Franca Brightman have different opinions on almost everything, but especially on children. She's been fostering kids for years, while he only wants to raise his own child.

But one night when Franca desperately needs tenderness, Marshall is there for her, and they find comfort in each other's arms. She brushes it off as a moment of weakness. Until she discovers she's pregnant. Franca wants this baby, and she knows Marshall does, too—but only on his terms. Does this mean war...or a wedding?
