Angelica Douglas has no idea that she's the Countess of Melrose. What she does know is that she needs to support her family as a card shark, while finding a way to seek revenge on the men who ruined her father and sent her family spiralling down into poverty.

Robert Campbell, Marquess of Argyll, heir to the Duke of Inverary, has no idea who Angelica truly is. He just wants to watch over her and make her his mistress.

Angelica thinks Robert is simply a dashing rogue who is far too dangerous for her peace of mind. Robert thinks Angelica is an angel except when she's being a pain in the behind.

When Robert finds out that his own father may have been one of the men who ruined Angelica's family, he vows to keep a careful eye on her. When Angelica finds out that Robert's father may have been one of the men responsible, she vows to stay as far away from Robert as possible. But when danger threatens, both Robert and Angelica must face the truth and let fate take the upper hand.
