**Mango Bob (4 Book Series)** Bill Myers

**From Book 1:** In this first book in the Mango Bob series, Walker has just lost his job, his wife has filed for divorce, and he's living in a tent down by the river.

Being ever resourceful, Walker swaps his truck for a motorhome (aka 'the Love Bus'), and agrees to drive it cross-country to sleepy Englewood Florida so he can deliver a cat named Mango Bob to a woman he's never met.

Should be easy, right? Drive to Florida, hand over the cat, and then hang out on the beach.

Except there's an unsolved murder involving the Love Bus, the Mexican mafia, and a half million in missing gold coins.

Add to the mix a trigger happy grandma, a team of bungling burglars, the hot chick with the kayak, the repo man, and you get a rollicking travel romp through the Sunshine State.

A fun and fast read!

### From reader reviews:

#### **Diana Pearson:**

What do you consider book? It is just for students because they are still students or that for all people in the world, exactly what the best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book Mango Bob (4 Book Series). All type of book are you able to see on many solutions. You can look for the internet options or other social media.

#### **Michael Hale:**

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to perform others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. The doctor has to answer that question due to the fact just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need that Mango Bob (4 Book Series) to read.

#### **David Perrin:**

As people who live in typically the modest era should be revise about what going on or details even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what one you should start with. This Mango Bob (4 Book Series) is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

#### **Mark Smith:**

A lot of people always spent their own free time to vacation as well as go to the outside with them family members or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you wish to try to find a new activity here is look different you can read the book. It is really fun in your case. If you enjoy the book that you simply read you can spent the whole day to reading a e-book. The book Mango Bob (4 Book Series) it is quite good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book through your smart phone. The price is not too costly but this book possesses high quality.
