## **The Art of Fiction: A Guide for Writers and Readers** Ayn Rand

In 1958, **Ayn Rand**, already the world-famous author of such bestselling books as **Atlas Shrugged** and **The Fountainhead**, gave a private series of extemporaneous lectures in her own living room on the art of fiction. **Tore Boeckmann** and **Leonard Peikoff** for the first time now bring readers the edited transcript of these exciting personal statements. **The Art of Fiction** offers invaluable lessons, in which Rand analyzes the four essential elements of fiction: theme, plot, characterization, and style. She demonstrates her ideas by dissecting her best-known works, as well as those of other famous authors, such as **Thomas Wolfe**, **Sinclair Lewis**, and **Victor Hugo**. An historic accomplishment, this compendium will be a unique and fascinating resource for both writers and readers of fiction.
