When Two Knotty Boys, Dan and J. D., began teaching rope bondage together in 1999, they discovered that most people learn best when they're shown — close up, step by step, and repeatedly — how to tie basic knots and combine them into bondage techniques. It is this learning process that they duplicate in this book. With the help of world-renowned photographer Larry Utley, they use over 750 photos and captions to explicate the soup-to-nuts techniques for turning great knots into great bondage that is safe, sensual, attractive, and effective. Readers can learn at their own pace, review whole techniques at a single glance, or even lay it flat on the table (beside their blindfolded partner) and follow along as they tie. *Two Knotty Boys Showing You the Ropes* appeals to those interested in improving the quality of their sex lives, not to mention aficionados of bondage and discipline/sadomasochism (BDSM), both curious newcomers and serious players alike.
