Fashion Design Drawing Course

Caroline Tatham

Fashion Design Drawing Course Caroline Tatham

A superb reference book and an ideal instructional textbook for classroom use, this beautifully illustrated guide is organized into units that reflect required courses at leading design colleges. Twenty step-by-step exercises cover methods of finding inspiration, developing observation techniques, and creating fashion drawings in both color and black-and-white media. Separate sections are devoted to getting started and understanding figure proportions, planning and designing garments, and creating and assessing flat specification drawings. The book also features cross-references to its various art instruction techniques, a designer's glossary, and a helpful index. This book guides students through their first steps in fashion illustration, covering everything that is presented in the best college-level courses. It makes a fine starting point for all students of fashion, introducing them to fashion drawing as a first step toward a career as a creative costumer. More than 250 illustrations in color and black and white.
