Discover the one critical secret you have in common with all rich people today.

Steven Scott lost 9 jobs in his first six years after college. His income was less than \$20,000 per year. Then, starting his first business without a dollar to his name, he made over \$30 MILLION in personal income.

The critical difference in Steve's life was learning and using life-changing "power secrets" from his mentor, who was an entrepreneurial genius and multi-millionaire. Now, a multimillionaire himself, Steve Scott shares these strategies and techniques that are not taught in college or business schools. These are the secrets used by the world's most successful people, people like Steven Spielberg, Oprah Winfrey, Henry Ford, Thomas Edison, and Helen Keller, to name just a few. They have achieved their "impossible dreams."

Far more than a conventional self-help program, Mentored by a Millionaire: The Master Strategies of the Rich is made up of 15 one-on-one mentoring sessions in which you learn and master the strategies and techniques that have been used by the world's most successful people. In these one-on-one mentoring sessions, Steve leads you step by step through each strategy and teaches you specific techniques to enable you to instantly use that strategy and all of its power in every area of your personal and professional life.
