“BRILLIANTLY PACED”

How would you feel if you found yourself turning into somebody else? What if there was no way back? What if your own mind started to change as well until you could no longer be sure if your thoughts and memories were your own? How much time would have to pass before you realised you had become that new person entirely?

And would you like it?

Six new tales of transformation set in the twisted towns of Nockton Vale exploring age regression, weight gain, getting old and the sleazy world of prostitution.

Let the transformations begin.

Just don't look behind you because there's no going back.

“EQUALLY PAGE TURNING AND HORRIFYING”
