At the age of twenty-two, Benjamin Franklin wrote his own epitaph. Scientist, inventor, and statesman, and the only man who would sign the Declaration of Independence, the Constitution, the treaty with France that helped win the Revolutionary War, and the treaty with England that ended it, wanted to be remembered simply as "B. Franklin, printer."

Kayla France:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this B. Franklin, Printer can make you

experience more interested to read.
