Introduction to Political Theory

John Hoffman, Paul Graham

Introduction to Political Theory John Hoffman, Paul Graham

Introduction to Political Theory is a text for the 21st century. It shows students why an understanding of theory is crucial to an understanding of issues and events in a rapidly shifting global political landscape. Bringing together classic and contemporary political concepts and ideologies into one book, this new text introduces the major approaches to political issues that have shaped the modern world, and the ideas that form the currency of political debate.

Introduction to Political Theory relates political ideas to political realities through effective use of examples and case studies making theory lively, contentious and relevant.

This updated third edition comes with significant revisions which reflect the latest questions facing political theory, such as the French burqa controversy, ethnic nationalism and the value of research from sociobiology. Accompanying these debates is a wealth of new and thought-provoking case studies for discussion, including (consensual) sadomasochism, affirmative action and same-sex marriage. A new chapter on difference has also been added to complement those on feminism and multiculturalism.

The revised glossary, revamped website for further reading and new streamlined layout make Introduction to Political Theory third edition the perfect accompaniment to undergraduate study.

From reader reviews:

Jennifer Larson:

Have you spare time for any day? What do you do when you have much more or little spare time? Yeah, you can choose the suitable activity to get spend your time. Any person spent their own spare time to take a move, shopping, or went to the Mall. How about open or even read a book called Introduction to Political Theory? Maybe it is for being best activity for you. You realize beside you can spend your time with the favorite's book, you can wiser than before. Do you agree with it is opinion or you have some other opinion?

William Prentice:

The book Introduction to Political Theory can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Introduction to Political Theory? Some of you have a different opinion about book. But one aim this book can give many details for us. It is absolutely right. Right now, try to closer using your book. Knowledge or info that you take for that, you can give for each other; you can share all of these. Book Introduction to Political Theory has simple shape however you know: it has great and big function for you. You can search the enormous world by open and read a publication. So it is very wonderful.

Deborah Rost:

Why? Because this Introduction to Political Theory is an unordinary book that the inside of the book waiting for you to snap it but latter it will jolt you with the secret this inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to delay having that book? If I ended up you I will go to the reserve store hurriedly.

Guadalupe Marshall:

Playing with family in a very park, coming to see the ocean world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Introduction to Political Theory, you may enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't have it, oh come on its known as reading friends.
