**Roadway Design With InRoads (with Student CD-ROM)** Brian L. Bowman, Theresa Barksdale

Based on a real world roadway design project, ROADWAY DESIGN WITH INROADS V8I provides information on not only the use of InRoads™, but also AASHTO and State roadway design guidelines. Readers are able to take a design from inception to design modification, and to the development of a contract plan set. This comprehensive text provides information, references, guidelines, step-by-step instructions, and exercises for individuals of varying skill levels, and is designed for individual study, for the university environment including the senior transportation capstone course, and for in-house training for roadway and design agencies.
