Sex Education: A Woman's Awakening, The Complete Series Alexis Adaire

The temptation to sin and lure of the forbidden can be impossible to ignore.

Rebecca Beiler's recent **sexual** urges are at odds with her strict religious upbringing. Married at 17 to a sexually repressed man who left her a widow, at age 26 she now finds herself yearning to be **taken hard by hot men with chiseled bodies**. When an indiscretion with a neighbor leads to a six-month expulsion from her community, Rebecca attempts to purge herself of her **sinful desires** by giving into them, in full. Unfortunately, each new intoxicating encounter only intensifies her cravings — **intense lustful cravings for physical ecstasy** that lead Rebecca to dark recesses of the sexual underground and compel her to do things the likes of which she **never imagined herself capable**.

Publisher's note: *Sex Education, A Woman's Awakening* was formerly published under the name *Shunned*.

WARNING: This collection of books contains graphic scenes involving adult bookstores, sex with strangers, multiple partners and more. If such topics offend you, please don't buy this book.

## Excerpt:

Corey purchased their tickets and they went inside. The movie, however, was just a distraction, as Rebecca couldn't get her mind off of the sex she and Corey would hopefully soon be having. He wrapped his arm around her, paused for a few seconds, then slid a hand into her blouse, cupping her breast and playing with her nipple.

Rebecca responded by putting her hand on his thigh, slowly moving upwards until she felt the growing bulge underneath his jeans. She considered taking it out, wanting badly to put it in her mouth, but the theater was crowded so she contented herself with stroking it through his pants. Only halfway through the movie, Corey could no longer stand it. He rearranged his erection in his pants, then stood up and led Rebecca out of the theater.

"Where are we going?" she asked, hoping he was taking her straight home. "You'll see," was his reply as he located an emergency exit door without an alarm and ducked through it, Rebecca in tow. Four flights later, the stairs ended at another door. This time there was a sign reading "Emergency only — alarm will sound." Corey paused for a moment, then cautiously pushed it open a few inches and waited.

Ten seconds passed with no alarm, so they exited and found themselves on a rooftop surrounded by taller buildings. Glancing around, Rebecca determined they were all commercial buildings; she could see office

furniture, but no people whatsoever at 11 o'clock on a Friday night. Corey wrapped his arms around her and pulled her into him, their lips and tongues meeting in a palpably sexual kiss.
