Sugar Rush by Rachel Astor:

There's nothing quite like your first bite.

Dulcie Carter has been running her family's homemade sweet shop, Candy Land Confections, on her own since her mom passed away. But business is slow and rent is high, so Dulcie knows if she wants to keep her mom's dream alive, she'll need a miracle. The annual Assembly of Chocolatiers competition might be just the thing, if she can bring herself to try creating something new for the first time in a long time.

Then she meets Nick, a molten-hot guy with a sexy smirk and an attraction stronger than any sugar rush, whose family also happens to own the big-box candy shop in town—her strongest competition for first prize. Nick's got his own reasons for needing the win, but then being around Dulcie is proving addictive. As their competition heats up, so do the sparks between them. Can they keep their sights on winning, when love might be the sweetest prize of all?
