The Divine Book Of Truth: Answers To 100 Of Life's Most Difficult Questions (Divine Poetry, Prophecy & Words Of Wisdom) Velvet Vigne

God has a way of speaking to us in many ways, and the answers come from the voices of angels, and other times from the resounding voice of God. Their voices are distinct and I have come to know of this communion with them intimately. When I recently discovered that I was given the ability to ask questions in order to help humanity, I decided to write down one hundred of them that I wanted answers to. Along the way, some others were interjected in that they wanted to provide us with answers for instead. I am always willing to be used by God in any way that He perceives as good. As with anything that one might ask God for answers to, we discover that He will provide us with the answers that He wants us to receive. Because of this, the questions that I posed are answered in a way that edifies God's spirit to the point of what He wants us to know concerning these subjects. It is an honor to obtain wisdom from Him by His ministering spirits, and the reason for such of an endowment is to benefit the whole of mankind. Some of the answers may be considered by popular mainstream to be controversial, however, the intention behind them is to reveal truth in the form which it is given, and to not question such truths as I receive them. Therefore these impartations of truth are not my answers, but the wisdom as obtained from the Angelic Hosts. I pray that this book will become a spiritual blessing for all who read it and that your spirits are enlightened with the wisdom to some of life's most important questions.
