The Economic Aspects of the History of the Civilization of Japan (Routledge Library Editions)

Yosaburo Takekoshi

Originally published by Allen & Unwin in 1930 this 3-volume collection brings together writings on the economic aspects of Japan's history. Covering the period from the 1600s until the 1920s this work offers the reader, not only an economic history of the Japanese, but also a social and political history. By explaining the realities of daily life during the periods covered, this collection allows the economic aspects to be fully appreciated.
