THE HEALING HAND OF GOD Shirley C. Kirwan

In the masterful chronicle of *The Healing Hand of God*, Shirley Kirwan aptly compresses her six-month critical illness into a few pages of faith-affirming reading. The book synthesizes the certainty of bible promises with her practical extra-biblical deliverance from the cold arms of death, by God's mighty hand. The authenticity of this personal testimony is corroborated by eyewitness accounts and medical interventions, showing cumulatively, that while her physical heart was at its weakest, her spiritual heart was at its strongest. This testimony has the ability to strengthen the grip of believers in Christ, awaken the conscience of skeptics and cynics and, for the confused struggling in the valley of indecision, be a firm stepping stone for ascent to a mountain-top experience with a miracle-working God. I recommend this book as a powerful and timely resource for all those desiring to have a closer walk with God.
