Lauren Ashby and Jackson Montgomery, unknown to each other, think they are happy--until they meet. Jackson encounters Lauren on his private property. The incident is unsettling--and life is never the same again. Their injured hearts began softening at the edges. Memories and old pain rise to the surface and must be dealt with. Will they continue hiding behind a facade of happiness? Is the attraction they feel for one another strong enough, or worth the risk to chance life head-on and together? Lauren's friend, Clair, and Jackson's friend and business partner, Matt, step in to help, but do they? Human nature is to cling to that which is familiar, and these two are no exception--they have a lot to lose--or gain.
