Chi is completely settled into her new home and it is now time for some real adventures! With so many new furry and feathery comrades around she is bound to have at least a few opportunities to explore this new world of hers...Or so she thought. Instead Chi might end up becoming more of a house cat than ever before. Despite living in a pet friendly building, Chi still has not had too many chances to go outdoors. Instead her fellow feline neighbors come visit her in her turf. Furthermore these posh and pomp kittens are not really the like that would appreciate a wild romp in the park or dumpster diving in a dark alley. Nope these cats would much rather lounge and be pampered by doting humans.
