Doctor Cole's Fertility Clinic Kinsey Grey

**“You can tell a lot from a woman's panties,” Dr. Cole said to the students. “Look at how wet they are, and the fluid is clear. What does that tell you?”**

When I first attended Dr. Cole's clinic, I didn't expect to have to explain the problems with my love life to a group of eager young male interns as well as a qualified doctor.

And I didn't expect the doctor and his students to examine me quite so thoroughly or to help me with my fertility problems in quite the way they did.

I didn't expect it, but I was glad of it in more ways than one...

This is a sizzling hot short story of 5000 words unsuitable for those under 18.
