Java Software Solutions teaches a foundation of programming techniques to foster well-designed object-oriented software. Heralded for its integration of small and large realistic examples, this worldwide best-selling text emphasizes building solid problem-solving and design skills to write high-quality programs.

MyProgrammingLab is a database of programming exercises correlated to specific Pearson CS1/Intro to Programming textbooks. The exercises are short, focused on a particular programming topic, and are assignable and automatically evaluated. MyProgrammingLab provides immediate, personalized feedback which helps students master the syntax, semantics and basic usage of the programming language, freeing instructors to focus on problem-solving strategies, design and analysis, abstraction, algorithms, and style.
